Our Learning Today Leading Tomorrow Multi-Academy Trust Vision

Vision

Our vision is to build a group of outstanding schools across phases, including specialist provision, to become (a mid-size) Trust that provides vibrant and inclusive learning environments in which every member of the learning community is passionate about learning. The Trust is led by a CEO who works closely with Headteachers who lead the two schools supported by a central team to support finance, HR, estates and governance.

Mission

LT2 Trust and schools will have a relentless focus on high achievement, supported by robust organisational structures and governance. We aim to give children and young people in our care the knowledge, skills and experiences to expand their minds and world view to enable them to develop a naturally inquisitive approach to learning and life, fit for an ever-changing world.

Ultimately, we will educate and support all children attending LT2 schools to grow into capable and contributing citizens who have developed the personal attributes and characteristics that will enable them to become considerate, self-reliant and confident young people who are ready for the next stage of their lives.

Values

The Trust Values underpin the mission and provide the basis on which LT2 schools can articulate the key behavioural characteristics that promote a positive philosophy. Our six values are unseen drivers of our behaviour as experienced by others and are designed to create a shared organisational culture:

Kindness – The quality of friendliness, generosity, and consideration

Collaboration – The belief that working and learning with others will lead to greater success

Curiosity – A strong desire to know and to learn

Resilience – The ability to recover quickly and learn from the difficulties we face

Respect – To appreciate the importance of understanding and admiration for others and self

Endeavour – The belief that hard work is needed to achieve something of which we can be proud

The conduct of all Members, Trustees, Governors and Staff should never lead anyone to question their interests, or lead anyone to think that they may have been influenced by gifts and hospitality.

A staff member's personal reputation and that of the Trust or School could be seriously affected if a staff member inappropriately accepts a gift or hospitality. It is also a criminal offence to demand or accept a gift or reward in return for allowing a member of staff to be influenced as a part of the Trust or school.

1.2 Policy legislation

2 Acceptable gifts and hospitality

2.1 Offer of Gifts and Hospitality

Members, Trustees, Governors and Staff can accept gifts and hospitality that have a value of under £25. These do not have to be pre-approved or recorded on the gifts and hospitality register.

Generally, gifts of nominal value such as promotional calendars, diaries or small tokens of appreciation, may be accepted. If in any doubt, staff should consult their Headteacher or the CFO.

Similarly, hospitality such as working lunches may be accepted in order to maintain good relationships with key contacts, provided the hospitality is reasonable in the circumstances. If in doubt, guidance should be sought from the CFO or Headteacher.

Any gifts or hospitality offered with a value of £25 and over should be recorded on the Gifts and Hospitality register within 7 working days, even if declined. Any member of staff who is offered such gifts or hospitality should consult the CFO or Headteacher before accepting. Such gifts remain the property of the Trust. The only exceptions to this are low cost, functional items suitable for business use (as opposed to personal use), such as diaries, calendars or pens and as previously outlined these do not have to be declared on the Register of Gifts and Hospitality Register.

If the headteacher is the recipient, or intended recipient, of **any** offer of gifts or hospitality, they should inform the CEO or Chair of the Trustees and record the offer on the gifts and hospitality register.

Failure to declare any offer of gifts or hospitality on the register in line with this policy will be treated as a staff disciplinary matter.

Staff attendance at sporting and cultural events at the invitation of suppliers, potential suppliers or consultants is **not** normally acceptable. Where it is considered that there is a benefit to the Trust in a member of staff attending a sponsored event, the attendance should be formally approved by the Headteacher or CFO.

2.1.1 Gifts to and from Students

In the interests of safeguarding children, and to prevent staff from being open to accusation of exerting undue influence, no member of staff is permitted to give a gift to a student at any time.

If a gift is received from a pupil or the parents of a pupil and the cumulative value of £25 and over this gift is to be registered in the Register of Gifts and Hospitality (Please see section 5 and Appendix A).

2.2 Offers of Gifts and Hospitality Given

If they feel it would not be appropriate for them to decline, they should refer the matter to the Headteacher or CFO. The Headteacher or CFO may decline the offer or donate the gift or hospitality to a worthy cause, and must also record the offer on the gifts and hospitality register.

Disciplinary action will be taken against anyone who fails to decline gifts or hospitality the trust has deemed unacceptable.

Failure to declare any gifts or hospitality offered on the gifts and hospitality register, in line with this policy, will be dealt with as a staff disciplinary matter.

6 How to raise a concern

Members, Trustees, Governors and Staff should notify their Line Manager, the Headteacher or the CFO if they believe or suspect that a conflict with this policy has occurred, or may occur in the future such as:

- If staff are offered something to gain a business advantage with the Trust or it is indicated that a payment is required to secure an advantage.
- If the staff member is offered a bribe by a third party, are asked to make one or suspect that there may be one in the future.

Concerns should be reported by following the procedure set out in the LT2 Whistleblowing Policy.

6.1 Protection for those who raise a concern

The Trust aims to encourage openness and will support anyone who raises genuine concerns under this policy. The Trust is committed to ensuring no one suffers any detrimental treatment as a result of raising concern. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a concern.

If staff believe that they have suffered any such treatment, they should inform their Line Manager.

If the matter is not remedied, and the individual is an employee, they should raise it formally using the LT2 Grievance Procedure.
